

ENVIRONMENTAL POLICY

PBI Height Safety 2023 Ltd is committed to undertaking its business in a manner that recognises the importance of environmental protection and sustainability.

PBI Height Safety 2023 Ltd aims to achieve Environmental management practices in all its operations by:

- Commit to fulfil compliance obligations with all applicable laws, regulations, and statutory requirements relating to environmental issues.
- Managing environmental and related issues in accordance with any client requirements, policies, and procedures.
- Applying waste minimisation principles and taking all practicable steps to prevent pollution and other adverse effects from our operations.
- Educating and training employees to continually improve awareness, skills and knowledge of environmental issues and practices.
- Monitoring and evaluating the environmental performance of Contractors and suppliers and implementing effective communication with them on environmental issues.
- Commitment to the protection of the environment, including the reduction of pollution and the generation of greenhouse gases using sustainable resources and technologies.
